Beginners Introduction to Athletics Officiating

For those people who only want to get a basic understanding of Athletics you can attend all three seminars on Track, Jumps and Throws. Then if you decide to sit the open book test you can do so on Tuesday 17th September 2013. This course is great for School teachers, and parents of children. It gives you just enough information that you will know what to do on your School Athletics day.

If you would like more information on any of these courses or to register please contact:

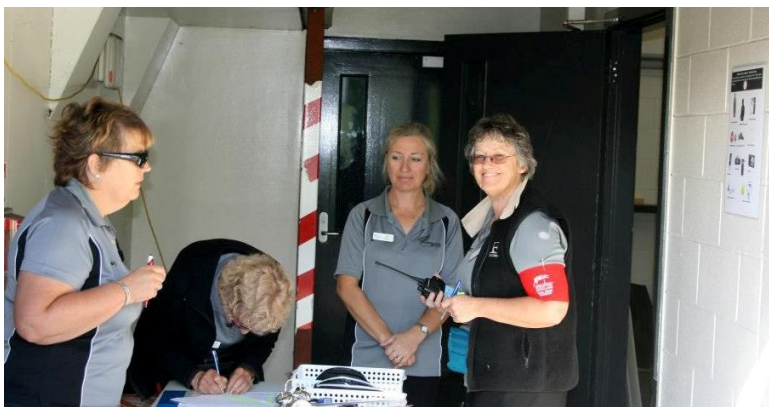

Anthony Curry – Sport Development Officer

Please include what you would like to sit. The cost is \$15 which includes a Rule Book and your membership fee to the Athletics New Zealand Officials Association and covers all the seminars and tests. If paying by Cheque please make it payable to Athletics Auckland. Your registration fee can be paid on the first night that you attend. Registrations for each seminar close on the Thursday beforehand.

For the current technical officials anyone wishing to sit the A paper please contact John Phillips.
